Chesterfield Cigarettes are not like other cigarettes.

Cigarettes are made of tobacco, wrapped in paper, and they may look alike, but that doesn’t mean that they are alike.

Chesterfield Cigarettes are not like other cigarettes. The tobacco is not like the tobacco used in other cigarettes. It is mild, ripe—not harsh, or strong.

Then again, Chesterfields taste better. They are seasoned in the right way with the right kind of Turkish Tobacco. There is nothing flat or tasteless about them.

You’re telling me “They Satisfy”!

Although a notice was published in The Tech recently to the effect that a discrimination would occur if the proofs to be printed in Technique of those who did not return their proofs to Mr. Valentine’s secretary last week, only 200 out of 384 actually returned their proofs. Those who have delayed another chance, however. Seniors who have not yet returned their proofs may take them or send to the Valentine Studios before Friday, December 1st. This date marks the deadline for turning in proofs.
