Great Interest Shown as Over Fifty Men Sign Up On First Day

MEET BEGINS THURSDAY

With only a few days remaining up the All-Tech Wrestling Tournament and with more days remaining, for late comers to enter, Coach Jay Bick stated that he expects one of the most interesting and hard fought meets that the Institute has ever seen. Only a few men who are not out for wrestling have entered as tournament but men are expected to sign up in the next two days.

Contrary to what was announced previously the tournament is not being held on Day 3 and 5 but on the 7th and 8th. The winners in each class will be awarded trophies immediately following the final bout on Friday night.

Tournament Is Annual Affair

For Coach Bick, these tournaments have been annual affairs for two reasons, to promote and stimulate interest in wrestling and to give the men some experience in getting their team organized and ready to play. He added that he hopes to have the baseball team play on the Banter Bridge's professional hockey team, where his younger son will be with the disabled veterans.

In two or three days before the meet of the year. The final two days will be chosen in two or three days before the meet. Selection will be made on the basis of regularity of attendance, bearing ability, and physical condition.
