**POLL FACULTY ON 5-DAY WEEK**

Norman Thomas Will Speak Here

Next Wednesday

Socialist Party Leader Will Address Members of General Faculty

**SUBJECT WILL BE "WAR"**

Dr. Jedwett, a leader of the Socialist Party, and Samuel Sparks, general organizer of the Communist Party, will speak next Wednesday afternoon under the auspices of the Library League and the School of Aeronautics. The meeting, which is open to all, is to begin at 4 p.m. in Council Hall.

Dr. Jedwett will describe the ends of their respective parties and their past. They will tell you what has been done in the past, and what will be done toward making in the near future.

Dr. Thomas was the Socialist candidate for President of the United States in 1928. He is a well-known politician and is the author of several books.

**JEDWETT SELECTED AS LIFE MEMBER OF CORPORATION**

Election of Former Term Member

Known Last Night

The election of Dr. Frank B. Jewett, former President of the American Telephone and Telegraph Company, and President of the Throop Polytechnic Institute, the University of Chicago, and Technological Institute into a factory is greatly desired by the student body of the Massachusetts Institute of Technology. Dr. Jewett will be chosen as a life member of the Corporation.

In the dual capacity of vice-president of the American Telephone and Telegraph Company and president of the Throop Polytechnic Institute, he has been able to see the full range of the Institute's operations. He was educated at the Throop Polytechnic Institute, the University of Chicago, and Technological Institute, where he graduated in 1885 and 1890.

The election of Dr. Jewett directs the scientific research and development of the organizations. He was educated at the Throop Polytechnic Institute, the University of Chicago, and Technological Institute, where he graduated in 1885 and 1890.
