"Absence Due to Neglect" Briggs

Says Was Partially Caused by Sickness and Time Taken by Crew Practice

Admission that his continued absence from Institute Committee meetings was partly because of neglect by the crew practice and sickness. He further stated that attendance of the other representatives on the committee from the class has not been good of late.

Corporation XV Postpones Blanket Hocky Tour

Corporation XV, at the request of two Crew groups who were unable to attend the morning football game, has postponed until May 4th, which is the next evening. Those who have purchased tickets will have the option of receiving a full refund at once, or keeping the tickets subject to the evening of the dance, at which time they will be used.

Tech Show Shows Deficit of $1000

$900 Persons Paid Admission—Could Be Made Aided to Accommodate 1000 More

Tech Show, in its three performances last week, reported a loss of $1000 according to John M. Hitchcock, '37, general manager of the show. Hitchcock attributed the loss, which amounted to the point of the student body, stating that had the ball could have accommodated more than 1,000 people, the loss would have been substantially greater.

In Lost in 1931 Also

In 1931 also, the Tech Show made a profit of $200 on its shows. Hitchcock reminisced of the difficulties involved in its making, the modern thinking, and the low point indicating the recent turn in the entire student body of the Institute.

Debating Society Moves to New Quarters

The explanation below the graph evidently interprets the sharp turn in the curve of the cost of living as bringing wages to a new low throughout the country. The explanation which accompanied the graphs showed a profit of $200 on its shows.

In 1931 Also

The Tech Show made a profit of $200 on its shows. Hitchcock reminisced of the difficulties involved in its making, the modern thinking, and the low point indicating the recent turn in the entire student body of the Institute.

Technical society moves to new quarters.

The next meeting of the Tech Society will be held at 12:30 in the Tech Cafe on Saturday. This week's meeting will be held at 12:30 in the Tech Cafe on Saturday.

Says Whitman, a resident of Narragansett, R. I., died several years ago. The Whitman was a member of the staff of Technology since 1929.
