in the grounds that in France it is more important to have a passport than such things. At any rate. France washed a new pair of troubers.

Correction

we wished to make a correction of the puzzle which was run in the longer column of some time ago. The original of the puzzle had an error which was pointed out by one of our friends who noticed along the more obvious lines on our copy and got it corrected. We thought the small number of people who have been solving the puzzles would not notice the error. We have seen puzzlers and called to kno

The week in Waller

This week Colley had the opportunity to spend some time in Northampton, and on his return here he has been working hard at his book about the history of the town and the surrounding area.

FACTS AND FIGURES

(Continued from Page 2)

The statistics having been compiled and was fourth, we will give a few facts about the town. According to the judge, there are always students of graduate studies in Northampton. The number of students of graduate studies in Northampton was last year about 150. For this year, the number of students of graduate studies in Northampton is estimated to be about 160.

There will be a meeting of the conference committee today at five o'clock in the month of June.

FESTIVAL AND TAYLOR SPEAK AT RALLY

(Continued from Page 1)

An advertisement in the Clarendon College Daily Life read: "WANTED: two young men with sporting blood, a car, and a knowledge of lower Main Street. They will take care of those who want a taste of love better than they run their own elections, in those places that allow gambling and stay open all night." -The Ledger

Go by Greyhound

Extra dollars are welcome at any time. But during spring vacation, one expense seems to follow another, even closer than usual. So you'll get a real thrill out of paying your new fare—now lower than ever before.

and if you want a comfortable time-saving trip

Greyhound buses are coming at frequent intervals, and you can change your ticket in five minutes. What's the hurry? Go by Greyhound.
