ANTl-WAR CONFERENCE ADOPTS RESOLUTIONS

(Continued From Page 1)

conference heard Dr. Daniel L.

Joseph Lempert, '35; Haskell Nor-

erert Katz, '37; Robert Kenngott, '34;

man, '36; Deborah Rubenstein, '34;

Lerov Hutehinson, '37; Rob-

 condom for the trip at the dust op-

the Bureau's office. It is ad-

vantage, the tour manager suggested, that members of the party wear-

rubbers on the trip.

Mr. Kenneth E. Ball, 75, of Course X, and the director of technical re-

Research at the A. C. Lawrence Leather

Company, will give an illustrated speech at a meeting of the Chemical

Society to be disposed of.

various societies to be disposed of.

CHEMICAL SOCIETY PLANS TOUHD TODAY

Will Visit Largest Tannery In This Country

A tour to the A. C. Lawrence

Leather Company, is Peabody, Mass.,

the largest tannery in the country, will be conducted today by the Chemi-

society. The party, for which transportation has been provided, will

start from the Main Lobby at one o'clock.

Those who wish to take this oppor-

tunity of reviewing the important processes of the leather industry,

including patent leather, chrome, and extract tanning, are requested to

sign-up for the trip at the desk oppo-

site the Bureau's office. It is ad-

vantage, the tour manager suggested, that members of the party wear-

rubbers on the trip.
