COMMITTEE APPROVES SOCIETY ELECTIONS

Institute Committee Restores Constitution of Sylust

At the regular meeting of the Institute Committee last night, the committee approved changes in the by-laws, provided for the election to the Combined Musical Clubs and the Student Stylus.

The changes proposed by John B. Cooper, '33, are the result of various discussions of the Dental Students' Committee and the Student Stylus, and the former will be the feature of the last session of the Student Stylus held next Friday in Walker Hall. A vote in the opinion of the Sylus results from that body being non-member at present.

Subject to the approval of the Student Assembly Committee, John E. Bal-land, '31, and Wesley H. Hewlett, '32, were approved as members of the Committee and Walker Memorial Committee, respectively.
