EIGHTY JUNIORS AS GUIDES PROVIDED

An added feature of Open House is a reception committee entirely made up of juniors, who supplement the regular faculty and student guides. Those who are well acquainted with the faculty, students, and place where they are to be found.

Three functions have been given to the committee, but that of placing in the main lobby; others will build booths around the campus. The main booth will be to conduct several booths placed in the main lobby; others will be to conduct several booths placed in the buildings. The main booth will be to conduct several booths placed in the buildings.
