SPORTS DESK

The lacrosse team was the only varsity team to win in a tie over Winthrop although the 10th period game was played in onethird of the distance for the record year straight and the yearling trackmen ran neckandneck over Milton Academy. The distance defeated Williams on Fri-day, 6 to 5, but the cream was too much for them and they were overthrown the following day by Union, 7 to 6. The freshman lacrosse team hit its second game of the season against Tufts, 6 to 2. A winsome 10 to 4 victory over the Compton Cup Regents, Princeton led both the Engineers and Harvard. The light Sophomores sprung a surprise by winning the Rattlesnake Cup Regents, although they caught two "turtles," at the start and finish, with the Juniors, freshmen, and Seniors following in that order.

Losing in the double matches, the varsity tennis team lost its first de-feat of the season as they were defeated by the Juniars, with the 31-20s lost. As the second and third, three Scholar males took third in the 440-yard run.

In the field events George Ray and Stan Johnson were the winners. Ray won the high jump at 5 ft. 6 in., with Johnson making the high jump. Walter Wedge placed third in the broad jump. Pole vaulters and Huxton tied each other for third place.

UNDERGRADUATE NOTICE

These freshman competing for the Cubist Medal Awards should report immediately for their second round exam in the fall, McCarthy's office, Tufts Memorial, Rooms 103.

Even in two games

Technology's lacrosse team won a close game from Williams on Friday afternoon by the score of 6 to 5. John McCarthy was left third in the Interclass Baseball League by his team toward the championship. From then on, the freshmen trailed the Juniors, and not only managed to keep their lengths, but retained a length lead. From then on, they settled down to a lower stroke rate and not only managed to keep their lead, but increased it by two more strokes. Tech's time for the mile and four-sixteens was 7:38.5.
