Field Day May Be Last Day For Wearing Ties

The most important Freshmen Rule is the one requiring the wearing of ties. Those who fail to comply will be expelled from the Institute. These ties may be bought in the main lobby at $1.50 a pair.

1. All Freshmen should wear regulation ties, four-in-hand, with a grand and gray stripe. They should be worn when on the Institute grounds from the first day of classes until the end of the rules period

2. Freshmen are expected to wear ties at all public meetings and to tip their hats to the President and the Dean of the Institute.

If the Freshmen win Field Day, those restrictions will be relaxed at the beginning of Christmas vacation, otherwise they will continue until the end of the first term.

Compton, Rogers, and Fassett Will Be First Year Men Admitted Free

Opportunity to make the acquisition of ideas from the most and best in the field is a privilege to be enjoyed by those who attend the Institute. cake not that includes the Tau Beta Pi fraternity, which, on the other hand, is a society not included in the Tau Beta Pi fraternity.
