I will present once more a volume of presentation this month being, as you know with a few minor punctuations. I will be there.

It will be Voo Doo Lobby of Building 10 next week.

An array of "snappy" jokes written by "skilled" staff members and gossip printed by "gifted" artists will greet the eye and lighten (?) the next story out of it, we submit it to PHOS would appreciate its readers." 

"Voo Doo" will appeal to present to its clientele, issues which will attract the greatest number of readers.

The editors and staff of The Tech

The first dance of the season will be held Saturday night in Walker Memorial.

 Transfer Students Are Affected by Tie Rule

It has been the practice in the past for all transfers at the Institute to wear freshman ties. A rule that is now going into effect is that transfers who have transferred to another school for one year only and who are taking eighty percent or more of regular freshman subjects will now be exempt from wearing freshman ties. All other transfers will now be exempt from the tie rule.

Professor W. T. Hall was the Principal Speaker

With Professor W. T. Hall as the principal speaker, the M. I. T. Menorah Society conducted its annual Fall smoker in the 5:15 Club Room last night.

The program included informal talks on current events by well known speakers as well as socials to be held in conjunction with schools and colleges around Boston. The first dance of the season will be held Saturday night in Walker Memorial.

Transfer Students Are

A new rule which is now going into effect is that transfers who have transferred to another school for one year only and who are taking eighty percent or more of regular freshman subjects will now be exempt from wearing freshman ties. All other transfers will now be exempt from the tie rule.

Lefebv, the fast-stepping Junior, was the 152 pound last year, while the hard-hitting Guahan had to concede at least a fifteen pound advantage to all his opponents in the 165 pound class. Other members of last year's team include: the button weights Norton and Goldsmith and Red Brooks.

MENORAH SOCIETY HAS

ANNUAL FALL SMOKER

All Dorm Freshmen

Present at Meeting

(Continued from Page 1) — 

Field Day. However, according to the general opinion around the Haan Gym, the first year men who have not gone out for their class teams could gain some training and experience in preparation for the games.

Judging from the results of last year's freshman teams, a number of sophomores are in line to fill the vacancy left by Jack Carsky. In fact, there is a month which will appeal to the greatest number of readers.

In reality this is an easy task. All they have to do is to talk both to a fellow student and straightforwardly ask them what they like.

"SEASON'S OUTLOOK IS GOOD," SAYS RAWSON

Field Day. However, according to the general opinion around the Haan Gym, the first year men who have not gone out for their class teams could gain some training and experience in preparation for the games.

Judging from the results of last year's freshman teams, a number of sophomores are in line to fill the vacancy left by Jack Carsky. In fact, there is a month which will appeal to the greatest number of readers.

In reality this is an easy task. All they have to do is to talk both to a fellow student and straightforwardly ask them what they like.

While the number of students who have not gone out for their class teams is large, the number of students who are taking extra-curricular activities is considerably lower than those of other years. Therefore, it would be advisable to encourage all transfers to wear freshman ties.

Mr. Robert Kincaid, assistant to the registrar, the second speaker, explained the complicated rating system of Technology and stressed the advantages of obtaining good grades. He pointed out that marks at the Institute are considerably lower than those of other schools; therefore, he urged that each student produce his best work at all times.

In concluding the meeting, Robert Berliner announced a freshmen tea, the first of its kind to be given on Sunday, October 21, in the Burton Room. The purpose of the tea is to acquaint the freshmen with some members of the faculty and their wives.
