**TURBID FLOWERS**

*This offer has been made to the Civic Health Education Fund through Ralph C. Bishop. The national R.O.T.C. plans for a visit to Washington this fall by one R.O.T.C. student from each Corps Area in the United States. Only those attending 1934 R.O.T.C. camps are eligible.*

*Fearing Gold Medal To Be Awarded*  

While in Washington, each of the winners will be the recipient of the new Fearing Gold Medal for military merit. President Roosevelt will be asked to make the presentation.

Unter the national plan each Professor of Military Science and Tactics of a Senior Unit will submit to headquarters the names, rank, and position, in uniform, of an outstanding R.O.T.C. student of his institution. The record is to include the student's scholastic standing and an estimate of his achievements in campus and military leadership. Efficiency in training, character, and appearance, will be considered. One principal and one alternate will be selected by the Headquarters of each Corps Area.

**SEVENTY YEARS AGE OF OLDEST ALUMNUS**

*Two From Class of '68 Head List In Alumnus Directory*  

Oldest living alumni of the Institute are listed in an honor roll compiled for the first time in the recently published directory of the Alumni Association.

Robert H. Richards and Daniel M. Wheeler both of the class of '68 are announced for the second Chemical Society trip.
