found it necessary to throw bricks at.

The laboratory where methods in early Italian painting, including fresco technique, are being studied will be shown as well as an extensive collection of pigments and other materials used by artists. There will be an exhibit illustrating the restoration of pictures. These new tools have been application of X-rays to the study of objects of art will be on display.

The dinner which will as usual precede the meeting will be served at the Hotel Commander at six o'clock for $1.25 a plate. Dr. Gustavus J. Esselen will speak on "Why Chemists Leave," announcing a mass meeting there for noon Wednesday afternoon, and posters have been put up announcing a open meeting for all those interested. Several faculty members have been asked to speak.

COMMITTEE APPROVES
PICTURES AT POLLS

(Continued from Page 2)

they would spread the news of the proposed activity.

The question of the advisability of posting pictures of nominees at the election booths by the election committee came up again when a motion passed by the Committee. It is hoped that by these means, enough interest will be aroused to get something done.

HARRY E. DRAPER IS
FRESHMAN PRESIDENT

(Continued from Page 1)

He is a member of Delta Psi Fraternity.

William P. Shuttleworth, in course IV, is a transfer student from the University of Vermont. His home is in Burlington, Vermont. Shuttleworth is a member of the Tech Glee Club and played on the freshman football team. He is now a candidate for the basketball team. He is pledged to Epsilon Delta Psi.

Secretary-Treasurer, Robert Trout, Jr., is a native of Schenectady, New York, and attended Schenectady High School in that city.
