MISS EVELYN WATTS, popular New York cabaret singer, is the star of the "Camel Show," Friday and Saturday nights, at the John A. Peters and the Statler Hotel, which includes testimonies of Christian Science. For the booking of these "Camel Shows," three the following slogans are used: "Ismail never got under my nerves!" "When I smoke a Camel, I never have a headache" "I never wake up my energy." The cigarettes are manufactured every year now and again," says Foster, "and the Caravan seems to bring back my natural energy and chase away all feeling of tiredness."
