Eddie Duchin and his orchestra will
play at the junior Prom, it was an-
nounced recently. The Prom, which
will be held in the Hotel Statler Imperial
Ballroom on March 23, is the ob-
taining social event of the Technological
annual season. In this past week, as far
as events are not, Leo, Bunny Wells and Mai Baisett played at this
occasion, and this congress con-
ation feels confident, will be equally
adequate.

Duchin Orchestra Plays at Prom
Eddie Duchin needs no introduction
to students. He finally com-
serts, and modern orchestras
are being played in the United States.

The Duchin Orchestra, under the
leadership of George S. duPont,
will broadcast on their trip to Boston.
