The Tech varsity team will be entered in the 4x100 meter relay, which will consist of Linda Rice, Joan Brown, Carolyn Johnson and Dorothy Miller. They are expected to do well in the event.

Tiebreak

While we're on the subject of basketball, we might mention that the team from the neighboring school, the Harvard Basketball Club, is scheduled to play a game against the Tech varsity team on Monday night. The game will be played at the Tech Union and is expected to be a close one.

Newsworthy Events

There wasn't much doubt about the superiority of the Brown basketball team, both varsity and freshman, that easily tacked away victories at the hands of their competitors. It was not expected that the Tech varsity team would lose, but it was expected that they would be competitive.

Tech wins the majority of the games, but the Brown team is expected to continue their winning streak.

Basketball Competition

The Tech varsity team will compete in the New England Intercollegiate Basketball Tournament, which will be held in the Tech Union on Saturday. The tournament will feature the best teams in the New England region and is expected to be a showcase of basketball talent.

The Tech varsity team will be one of the teams competing in the tournament. They will be facing tough competition, but they are expected to do well in the event.
