SPORTS COMMENT

Oscar Hedlund's trackmen are taking things easy for a few weeks, for it is their in-between season, so to speak. The first outdoor meet is lined for April 27, which is almost five weeks ahead. The runners will probably welcome this rest period, for some of them have been training regularly since early in January. The chief activity around the field house at present is the indoor work, but they will be outside shortly. As usual, Coach Bill Heist has his men out on the water as soon as ice had cleared away.

Nearly all the spring sports have started practices, with the lacrossemen, the crew and the golfers all conducting regular sessions. The latter two groups have confined their activities to date to indoor work, but they will be outside shortly. As usual, Coach Bill Heist had his men out on the water as soon as ice had cleared away.

Baseball has not started yet, but we understand that a mass meeting will be held next week or the first of the following week. It is planned to run the interclass schedule on half of the scale on which it was conducted last year. This is to allow for practices for an independent team, composed of players from the class league. This team will play on Saturdays against other college varsity and junior varsity teams.

WEBB AND JUDD ENTER NATIONAL INTERCOLLEGATES

At Lehigh

Technology's entries in the National Intercollegiate Wrestling Tournament held yesterday at Bethlehem, Pa., where this weekend's over twenty-five college teams from all over the United States are entering their best men. Due to work on these Co-operators Marion and Oshry are not making the trip. The only two Tech men entered are Jerry Webb, 145, and Fred Judd, 136. Webb has not had a particularly successful season but has dropped some very close matches. Judd has not wrestled at all this year since he was in the same class as Captain Maridorosian. However, last year, he wrestled in the 152 class, and did exceptionally well, placing second in the New England Intercollegiates, and due to these injuries will not make the trip. The only two Tech men entered are Jerry Webb, 145, and Fred Judd, 136.
