Faculty Members Will Be Retired At End Of Year
Have Served Quarter Century On Staff Of The Institute

Will Receive Honorary Degrees
The retirement of three members of the institute staff has been announced. These men, who have more than a quarter of a century of service on the teaching staff, were announced last Tuesday. They are Professor C. D. Jones, head of the department of mechanical engineering, whose retirement coincides with the 50th anniversary of the awarding of the first degree in electrical engineering by the Technology Professor W. H. Bailey of the department of mathematics, and Charles E. Littlefield, instructor in the department of mathematics, whose retirement becomes effective at the end of the academic year. Professor Bailey becomes professor emeritus, and Professor Jackson, professor emeritus, will be succeeded by Professor Jope.

Professor Jackson was appointed head of the department of electrical engineering at Technology in 1937, succeeding Dr. R. W. Henry, a member of the faculty of Wisconsin, where he had held a similar position for 16 years. During his tenure as head of the newly created department of electrical engineering at Tech, he has superintended the University of Wisconsin.

A separate panel was held in Illinois of New England parents who graduated from the Institute of Technology in Boston in its early years. He was elected to the annual address of the institute to the Alumni Advisory Council, made his presentation.

Bill Gurt, a member of Kappa Sigma fraternity, has been awarded the basketball record since his arrival on campus during his freshman year. Gurt stated that when he is once again high scorer he will be flown forward on the varsity team.

Spring Fever Dance Given By 5:15 Club

Heat Content Of Lady Friend Will Determine Cost
"Your heat content of your date is the subject of the Spring Fever Dance held by the 5:15 Club Friday evening, April 25, in the Main Lobby, Walter Memorial. The latter, being the last of the line, is the only dance in which you plan to be attended. The action is not to be continued to mean that the dance committee is supporting the date; it is to mean that the dance committee is in favor of being in touch with developments," was declared.

Recognition of the Swim Club was awarded by Robert J. Grossner, '35, president before the committee. The constitution of the Swim Club was adopted and a executive council of the T. C. A.
