**FRATERNITY RUSHING FORBIDDEN AT CAMP**

Fraternity rushing at Freshman Camp is strictly forbidden, according to rules formulated by those in charge and sanctioned by the Inter-Fraternity Conference. In order to enforce these rules three men have been assigned to guard the entrance and see that no unauthorized persons are at camp. As has been the custom for the past few years, there can be no semblance of rushing from the time the freshmen enter the bus to the time they return to Technology on Registration Day. All freshmen must arrive to camp and remain in camp in the official buses. No one will be allowed to enter the camp grounds unless authorized by the freshmen. They are warned, however, not to attempt to enter without a special authorization.

**FRESHMAN TIES WILL BE SOLD MONDAY**

Quadangle Club And Freshman Rules Committee To Sell Freshman Ties

Freshman ties—the distinguishing insignia of every entering class at Technology—will be on sale in the Main Lobby and in the freshman registration room all during Registration Day, Monday, September 20. Those ties are worn by all members of the freshman class, in compliance with the Freshman Rules. The colors are those of the Institute, silver gray and cardinal red.
