Stanley Johnson
Is Given Annual
Technique Trophy

Johnson, Track Captain, Wins
Ceremonial Cup; Secured Second
Consecutive Year

Stanley Johnson, '36, was awarded the annual trophy for the
second year in succession by John T. Fuller, Jr., general manager of
the All-Tech Smoker, last Monday. This cup is presented yearly to
the student who secures the highest place in track events. This year
he was honored with a score of 222.2, and is the first Tech man to
win a league with a score of 222.2, and the only one of the thirty-six
Tech men in the high and low hurdles in the six and fourteen
weeks respectively, records potentially still stand. Johnson also
was a member of the Institute Com-

Both Classes to Start Field Day Practice Monday

Coaches For All Sports Named

Hoyt Steele Will Mentor '38 Football Team Again

Sophomores Get Jump On Fresh

Take Field Today

As '39 Rallies

Active preparation for Field Day

athletic encounters for both the fresh-

man and Sophomore classes will begin

Monday afternoon, October 7. The

Tech football team will have a rally in

Miller Union, at five o'clock while the Classic of '38 will be prac-

ticing the same day, and will rally in 5-300 Tuesday at 5 o'clock.

These dates are just four weeks in advance of the Field Day

to be held November 1.

John B. Morgan, general Field

day Manager, yesterday announced

through the offices of both the Fresh- 

men and Sophomore classes. Hoyt P. Steele, who guided the Classic of '38's football team, will coach the same team this year, while

the freshman mentor will be James A. Norman, '37. Norman, although new at coaching, played on Field Day

at Carnegie Tech last year, and as a Sophomore, he participated in

the Dunlop explosion which will tutor the running year-10

naw team which will be opposed by a Sophomore team selected by

Hugh T. Boulware. (Continued on Page 3)

Tech Smoker Offers
Freshmen Opportunity
On Old Publication

Toni Birdwell, Fussett Speak Of Future

And Nature Of The Paper

To acquaint all freshmen with the

types of extra-curricula work offered at Tech, the Smoker of the year is holding a special Techsmoker tonight at 5 o'clock in

the Faculty Dining Room. The Smoker will be attended by all the seniors of the class and the current freshmen.

Professor Edwin S. Burdell of the DuPont Co. Chemical Department of the

Society, Editor of Volume XXXIII of the paper and will tell stories of its

past. Professor Frederick G. Fussett will be there to tell the freshmen that there are opportunities for all. History will speak of newspaper and magazine work as undergraduate activities.

To present aspects of business and editorial work on The Tech, a news-

paper staff meeting for the benefit of all freshmen interested in work in the Department of Economics and Socio-

A volume of the paper will be

published.

The Tech Smoker will be held in Walker Memorial, 5 o'clock with all first year

students invited to attend. Cartoonists and members of the tech staff will be on hand to assist freshmen.

Features of the smoker include a presentation of the Tuesday issue, discussion of the various departments, a talk by Professor F. G. Fussett, Jr. and free refreshments. The manage-

ment of the evening will be given to those interested in work in the Department of Economics and Socio-
