Hall for the dinner and the address.
sonal friends and members of the I

with the lower classes having nothing for the athletic events to occupy
their afternoons' attention, the
glove fight will be extended with more fighting spirit than ever before.
The Soph and Fresh will have their ties—and clothes—undamaged by disorganized mobs and will be better able to vent
their rivalry in an organized activity, in which a win means points toward a Field Day victory.
It is this column's hope that the classes of '38 and '39 will co-operate with the committee and President Compton's wish
to discontinue food throwing. Perhaps some pleasure was obtained from
it, but certainly it was not a great addition to Field Day.
It will be an unusual sight to see competing classes actually watching the football
