For Success, Tech Union Audience Says

Halves, Rapport, Magoun, Lead Discussion On Forum Interesting

Contacts were chosen as the major prerequisite to success after a Tech Union meeting, Tuesday night, in the North Hall of Walker Memorial. The debate attempted to decide which among money, political influence, and knowledge is the major prerequisite for success. At the start success was defined as the greatest achievement, a worthwhile goal which makes for the maximum use of a man’s ability.

The first speaker of the evening was Wilford W. Haynes, ’38, who upheld the necessity of money for success. The second speaker was the object of a round of applause when he stated that knowledge is the major prerequisite for success.

Discounting Thanksgiving By Objective

The Consumers’ Club held its gala Thanksgiving last Wednesday night in the Eastman Lecture Hall. The theme of the evening was “The Men of Tomorrow.”

Members of the M.I.T. Athletic Association met Thursday night at the M.I.T. Club House to discuss plans for the regatta to be held in Massachusetts Bay on November 29.

Debate
dated to be broken on its maiden voyages. Technology dinghies will be ready to race in the International Trophy Cup at the Henley Royal Regatta to be named in honor of Dr. Rowe. The club managed to sign these boats for the regatta despite the fact that the club is short of funds. The club will have to raise $1000 to meet the expenses of the trip. The members of the club are looking forward to the regatta and hope that the boat will do well. The club is also looking forward to the regatta and hopes that the boat will do well.
