Dormitory Dance Is Scheduled For Valentine’s Day

Bert Block’s Orchestra Will Play Music For Formal Dance
Affair Begins With Dinner; Rogers Will Be Toastmaster
Capacity Crowd Is Expected; Sign-ups May Still Be Made In Lobby

Bert Block and his orchestra will be featured at the annual midwinter Dormitory Dance which will be held in the Main Hall of Walker on next Friday evening, February 11.

The gala St. Valentine’s Day affair will begin at 8:30 o’clock, when the dinner will be served. Dancing will continue until 3:00 o’clock, with Open House in the Dormitory Lobby for an hour until midnight.

The orchestra is well known to Bostonians, having played at the Norman- mead and the Langham, and has completed an engagement at the Holly- wood Restaurant in New York.

Professor Robert E. Rogers will act as master of ceremonies for the even- ing. Additional entertainment will be provided by a quartet of Charley’s singing of “Ohio” DeSN, who has entertained many a housemate to the betterment of his sandman

Sign-up sheets for the evening are to be the Rev. William L. Lepiere, of (Continued on Page 6)

M.I.T. Faculty Club Presents New Comedy As Third Production

“Loose Moments” By Savage House, starring Mrs. Carl Bridenbaugh

On Friday and Saturday evenings, February 28 and 29, at 8:30 o’clock, the M. I. T. Faculty Club will raise the curtain in Brattle Hall and present “Loose Moments,” a comedy by Cour- tier, which opened its run a few weeks ago in New York, and has been described as a Freshman Scholarship. Previously, the profits were donated to the Woman’s Homeopathic Hospital.

The hero of “Loose Moments” is an upperclassman in his last year on the campus, and the play is about ten miles from Pittsfield, Mass.

The party will consist only of members of the Ski Club of Technology. The ski club will sell refreshments from noon until 3 o’clock, at $0.75 per person, or by getting in free of charge.

The party will be held at 2:30 o’clock on Sunday, February 23, at the Hinsdale Country Club. The event will take place at 2:30 o’clock on a Sunday afternoon.

In Case of War?

In this issue, the editors will provide some coverage of the war.

Cooperation Between Faculty And Students Practised In Course II

At the beginning of the year the esteemed mechanical engineer, Mr. R. H. Brooke, of the aim of which is the establishment of a more informal relationship between the students and the faculty. Each student is assigned to a faculty advisor, who is a member of the engineering faculty.

The Adams Society is an organization of students who are interested in the study of chemistry and related fields. The society holds monthly meetings to discuss recent developments in the field of chemistry, and also has a library of books and journals available for members to borrow.

At their regular meeting, members of the Adams Society discuss recent developments in the field of chemistry. The discussion is led by a faculty member who is an expert in the field.

The upcoming meeting of the Adams Society will be held on February 28th, at 7:30 p.m. in the lecture hall of the School of Chemistry. The meeting will be open to all members of the Adams Society, and is free to attend.

At the meeting, members of the Adams Society will hear a presentation by Dr. Jane Smith, a professor of chemistry at M.I.T. Dr. Smith will discuss recent developments in the field of chemical physics, and will provide an overview of the research being conducted in this area.

The meeting will also feature a Q&A session, where members of the Adams Society will have the opportunity to ask questions and engage in discussion with Dr. Smith.

The meeting is open to all members of the Adams Society, and is free to attend.

How Can America Stay Out of War?

Brings $58,000 Scholarship Entries

Edgar Canter’s essay contest, “How Can America Stay Out of War?” was closed on July 1st, with an announcement of the winners made on August 1st. The $58,000 scholarship fund, established by Edgar Canter in honor of his mother, was designed to provide financial assistance to students who wish to pursue further education in the field of international relations.

The essay contest was open to students who were enrolled in high school, college, or graduate school. The winners were chosen based on the quality of their essays, and the scholarship funds were distributed among the winners.
