Springfield Wins In Gym Encounter

Captain Needham of Technology Wins In Flying Rings On Saturday

The varsity gym team dropped its fourth consecutive game of the season to Springfield College at the Walpole Memorial Gym on Saturday afternoon, by a close margin. The score was 22-21, the winning points being contributed by Captain Hakale and Springfield, in the tumbling events.

Captain Roger Needham distinctly passed his superiority in the flying rings event. Dreissigacker (T) defeated Farmer (S) in the side horse event. Morgan and Abbott of Technology placed second in their events, the parallel bars and tumbling, respectively.

On the whole the team showed the ability to tailor this meet against a very strong team. Technology was unable to lay its finger on the exact reason for its presence among the bottom ten teams. The match was too cautious with Valois of Harvard in the flying rings event. Captain Phil Norton in the semi-final bouts showed his superiority in the flying rings.

A summary of the results follows:

Flying Rings-Win by Needham (T); second, Farmer; third, Cooper.

This Week's Special 45 cents
Choice of Soup or Grapefruit Juice
Boils and Butter
Toast Rolls of Prime Beef
Baked Potato, Club Style
Succlotash
Mail or Coffee
Choice of Apple Pie or Ice Cream

Each Puff Less Acid
A LIGHT SMOKE
OF RICH, RIPE-BODIED TOBACCO

For twenty-five years the research staff of The American Tobacco Company has worked steadily to produce a measurably finer cigarette—namely, achieving a minimum of volatile components, with an improved richness of taste—"A LIGHT SMOKE."

We believe that Lucky Strike Cigarettes contain a number of genuinely basic improvements, and that all these improvements combine to produce a superior cigarette—a modern cigarette, a cigarette made of rich, ripe-bodied tobaccos—A Light Smoke.
