Radio Broadcasts
Bring Open House Before The Public

Open House
Your radio broadcasters are being asked to bring the features of Tech-
ology's Open House on May 2, be-
fore the public. On Tuesday, April 28,
from 9 to 9:30 the Glee Club and Techtonians will render musical ac-
nouncements, while at 9:30 a special feature will be presented by
oe Reinhart, R. H. Miller will give a talk in the open House. On Wed-
nesday, April 29, the Tech Club will be a
bridge to the public.

Barrows To Make
Watershed Survey

Professor Harold K. Barrows, of the Depart-
ment of Hydraulics Engi-
neering, will make an in-
vestigation of the water-
shed of Sargent College
in Cambridge. He will be
in charge of the Institute's humorous maga-
Zine and will attend the con-
vention to get material for the
next issue.
