(Continued from Page 1)

begins at 9 o'clock tonight, and will last until 2.

Prof. and Mrs. Alvin E. Buxton, Sr. and Mrs. Albert A. Lawrence, and Prof. and Mrs. Archibald D. Finken were among the guests. Invited guests are Dr. and Mrs. Karl T. Campbell, Decca and Mrs. Venner Miller, Colonel S. C. Smith, Jr., and Mrs. Henry F. and Dr. Harold F. Lowdell.

Dance songs should be recommended for the main lobby. Tickets may be purchased in the Union, or at the dance, and tickets are limited to 115.7 for a couple or 1.35 for single. Sale of tickets and options has not yet reached the point necessary to bring the value of the M. I. T. 1938 Associated bonds up to par, although the committee expects that the sale of tickets and options for the dance at the time of the sale of the bonds will be sufficient to do so.

Dance songs should be recommended here. All the boys are working hard in the Student Employment Council for charity, and the music for the dance will be provided by the Associated Band.
