Dormitories To Hold Dance Friday May 13
Ray Belair's Orchestra Will Furnish the Music

The Dormitory Dance to be held Friday, May 28, comes as a boon to all brown-baggers. Though this may not prove to be the case, the men who have kept their masses in the bracket during the past social season are expected to turn out en masse for this final Dorm function of the year.

Ray Prouty, chairman of the Dance Committee, has secured Ray Belair's Orchestra from the Tannilla Gardens as the featured attraction. His band is out of the ordinary run of orchestas. A unique feature is assured by means of two violinists. The featured singer is Sylvia Guy, a belle from the South, but nevertheless this cold climate has neither affected her voice nor her popularity.

Roamers, industrial workers, farmers and students from all over the country.

Dr. Philip Peter, the new president, emphasized the value of the Gridiron as a musical meeting place for publications men and predicted even greater suc- cess for the association in the coming year.
