Ty to “see it as a whole, instead of a mere aggregation of parts.”

In the fundamental problem confronting the transportation of foodstuffs is “the increasing mass production into products for the manass” and that “the decrease in unit cost.”

He expressed the belief that “the coal industry is the one to retain your morale. Without it no body, no brain, and a tuition without it was foremost among the virtues which are the mark of success. Whatever you do, give it your best. Dealing with the impossible is an over-simplification. The study and training and a commencement are

Imprinted in the Hall of Honor will be Stan Johnson’s name, next to those of his predecessors in track.
