J. Douglas Awarded Mathematics Medal

railway Express Give Superior Service

The Railway Express Agency has been efficiently handling the heavy baggage traffic created by students returning to schools and universities at this time each year. The reserve power of this national organization has been used to carry out this work.

The first days in June are also busy ones for the Express Agency. After these periods of peak loads, this company “settles down to the less strenuous job” of handling laundry cases. This work is done efficiently and at a small cost.

Freshmen Employers of today want MEN NOT MINDS

The isolated intelligence has no place in the modern business world. Character and executive training are the added something that get jobs. These are available to staff members of...
