Following: Robert Eddy, 438; Eugene If the season.

...cross-country runners will come...ardines, '38. Four of these, Guerke, captain Guerke Track Cooper, Sabi and French, are veterans.

Spring is here, will start, only the first five to cross...winner of last winter's All-Technology Golden Gloves Championships. Bob Whitingham was the outstanding star of a very good freshmen team and can boast of victories over Harvard, Springfield, and Shurtleff. Bob, who was also a Golden kiwi in hand and great things were expected of him this year.

The double loss leaves Rawson's team in somewhat of a hole, and Tommy will have to do some good recruiting to get his team in shape for the Harvard meet in December.

Lacrosse Daily Draws 20 Seasoned Visitors
Charles Marsters Tells Men Of Growing Popularitv

With a turnout of 20 competitors at the Lacrosse rally held Tuesday, a successful season was forecast for this sport which is still in a developing stage at Technology. Practically all of last year's freshman team, a large percentage of the varsity, and a new crop were on hand to discuss plans for the coming season.

The meeting was addressed by Mr. Charles Marsters, representative of the New England Lacrosse Association, who told of the increasing popularity of Lacrosse in the New England schools and colleges and was welcomed M. L. T., as a member of the New England Lacrosse Association. Coach Tommy Tucker gave the usual warnings and advice about keeping in condition in order that the team should give a good showing this spring.

Although a few of last year's varsity have graduated, both Coach Tommy Tucker and Captain Gridley, were confident that this season's results will surpass those of any previous season. Regular fall practice has already begun and will be held at the Coop field regularly every Thursday and Friday from 4 till 6. Froshmen are urged to attend, and instruction in the fundamentals of the game, which will be given out to-day and the first match this fall will be played next Saturday from 4 till 6.

THE FIRST DAYS of the season are usually crowded. But Camels help a lot. Camels give you a welcome "lift" in energy—stimulate digestion; bring a sense of well-being. And they never jangle your nerves.

With Camels, mealtime is more pleasant—digestion is stimulated—alkalinity increased

In our busy lives, mealsides is apt to catch us at a disadvantage. We're often under physical stress of tension and physical strain. As a result, the free flow of digestive fluids is slowed by fatigue. Physics and physiology of digestion help our body's digestive system move along. This natural desire to keep up with the times, the Beavers hope to improve their record. The first one to be played next Saturday from 4 till 6.

The first game of the year, it promises to be a lively struggle.
