Kidnapping Warning Repeated

Since the Institute Committee ruling against kidnapping was not forecasted by either the freshmen or the Sophomore rally, The Tech is running the story of President Karl T. Compton's letter of March 17, 1934, explaining the ruling.

Notice To Students
The Institute Committee acting for the student government, at a meeting on January 1934, received a petition disapproving of the involuntary detention of any member of the student body by any student or group of students, and disapproving of any action which might discredit the Institute or its student government.

The committee went on to state that it had not received any notice of any action which might discredit the Institute or its student government.

Tennis Tournament Scheduled To Begin
Fifty freshmen and sixty-five sophomores and juniors have already signed up for the tennis team. Names to be held are students, and the majority in favor of the tennis team will be posted at the entrance to the gymnasium.
