**Tech Show Offers Prize For Script; Plans Production**

Institute Committee Voted Last Term Against Show

Activity Hopes To Continue May Seek Recognition Again

Twenty-Five Dollars Offered, Show Accept To By December 1

With the announcement of a twenty-five-dollar prize for a script, Tech Show indicated that it is almost definite to continue activity in 1937. The announcement was made by Robert J. Moffett, chairman of the Finance Committee and manager of the show last spring.

Recognition of Tech Show was withdrawn at the beginning of the last term. The organization had announced a small prize for the best script, and the action of the advisory council of Tech Union was the result of the decision of the Institute Committee at the end of last term. The organization hopes to continue, but now it is almost sure to try for recognition again.

Tece Activity Hopes To Continue

The cast and staff of its first play of the term will play at 8 o'clock, free, to the Federal government through the agency of the National Youth Administration. Whether funds will be available on this work will be known within some months probably will depend on the outcome of the election on November 6th, observers agree. However, whatever the results of the election, the N.Y.A. is a pretty sure to continue the show.

The cast includes Frederick Go. Col., Edgar E. Crockett, '30, E. Ward K. Turn, '37, George A. Moore, '34, '37, William A. Hawkes, '39, M. M. Elgin, '39, '39, and Professor Voss, introduced as an expert on concrete and his "roman stones," whirled away his time by "generalizing the basis of the Hudson-Delange orchestra at the Harvard-Dartmouth Ball, will furnish the music for the dance, which will be held at the Field Day gymnasium, Thursday evening.

Dr. and Mrs. Horace S. Ford and Dr. Avery A. Aldiscome have been invited to be champions at the Field Day Dance to be held in Walker Memorial Field House on Friday following the Frosh Rally. One hundred tickets will be sold for the Dance to be held Friday evening.

One hundred the quota of tickets has been sold already, an announcement from the committee revealed today. Two chances are offered for those who did not get in on the first chance. This second will be held on Saturday evening.

An investigation is being conducted by the society to find out if it is possible to make more flights over the course of the next month. Those who have passed the elementary test will be eligible if they can make three flights in the month, to the Cape and to the glider meet at Elgin Field.

The "rookie" who has completed their share of the construction work will get free ground school because, on the new glider, they are allowed to fly.
