Sophomore Dance

"Vogue Gruber's Swing" and so on Park Avenue.

The Hotel Continental, scene of the affair, is ideally suited to college affairs. A new banquet room and lounge, complete with the soft music, will form the background, is ideally suited to college social dancing with orchestra, and music, will form the background, is ideally suited to college social dancing with orchestra.

Sophomore Rally

Friends Sponser, '39, organized a Field Day band.

In order to keep their kidnapping infections from becoming an open secret, the Sophomores will permit only members of the class to enter the hall. A further check-up will be made to ascertain Sophomore slackers.

New Parking Space

Will Be Taken From The Grass Plot Surrounding Dormitories

Land Will Be Taken From The Grass Plot Surrounding Dormitories

Increased parking space has been arranged for the Dormitories, according to a recent statement by Prof. L. F. Hamilton, chairman of the Dormitory Board.

The parking lot will be enlarged to include three diagonal lines, thus accommodating approximately a hundred and fifty additional cars. The necessary room will be obtained by moving the hedge now west of the undergraduate dormitories and taking fifteen feet from the grass plots there.

The plan of the new space is much the same as that now in use. From the Dormitories west toward Building Six there will be one line of diagonal parking space, one twelve foot drive-way, a fence, another parking space, a twelve foot driveway, and a third diagonal line of parking.

By means of this additional space, the Dormitory Committee hopes to end parking in the driveway in front of the Dorm ore offer. Enlargement of the parking space is the best solution offered to the problem at the present, Prof. Hamilton believes.

Letter to Institute Committee Head From President Compton

Mr. David S. McLellan, President
Institute Committee
M. B. C.

Dear Mr. McLellan:

I am gratified to learn of the action taken by the Freshman Council and official representatives of the Sophomore class toward continued elimination of refuse throwing as a feature of Field Day. Few people can conceive of the throwing of refuse as an indication of good sportsmanship or as an expression of college spirit in which we can take pride. The remarkable spirit and imagination of college generations is evolving different types of student interests and relegating activities like this to the memory of cruder days.

Everyone one that I know is enthusiastic about the Field Day competitions and the interest and spirit in which they give rise. I am equally certain that the decision which has been reached will grant those who have at heart the interests and reputation of the Institute. I therefore wish that you would convey my approval and appreciation to the Freshman Council and the Sophomore class officers and the Field Day committee which arranged the entire.

Very Seriously yours,

Karl T. Compton
President
