The committee in charge feels con-
vinced that the affair will be a success in
view of the fact that last year over
300 young people attended the affair.
This year, the committee announces
an even greater sign-up.

Among those invited to attend the party
were: Professor Copit, Professor Miahat and the Rev. Parker
Quillman. Many who have not obtained
tickets may do so at the door.

Associated with any partisan organiza-
tions, the Tech Union stands for
the impartial examination of all ideas
brought before it, according to John
J. Wallace, ’39, chairman of the Uni-
versity Steering Committee. Last year
the union acted in harmony with the
Debating Society and was recognized
by the administration of the College
as an active group. Its meeting
subjects last ranged all the way from
a discussion economic nationalism to
the question of the relative value of a college
educational system, in which students
from Wellesley college were guest
speakers.

Chinese Students Form Two Teams

In a meeting of the Chinese Student
Club of M. I. T. in the East Lounge,
Walker Memorial, on Friday at 9:30
P. M., a basketball and tennis team
were formed.

L. L. Wu, G. and V. S. Hydi, G.,
were unanimously elected as captian
and manager respectively for the bas-
ketball team. The new team will start
practices and tryouts early in order to
take shape for coming matches. Wu
and Hydi were both formerly mem-
ers of the St. John University base-
ball team in Shanghai.

All Institute basketball teams that
wish to arrange matches should call
up the captain or the manager for in-
formation.

The tennis team will not
realize their highest ideals; "accord.
ning to the Handbook. The latter also
states, "Although much religious via
social work is done in connection
with the functions undertaken by the As-
cociation an emphasis is placed on
rendering service to the school and pro-
ducing assistance in every way pos-
ible to anyone who is in need of it."

The money from this drive will
finance the Association.
