**Ford Hall Forum To Hold Open Meeting**

(Continued from Page 1)

The Ford Hall youth forum will open its second season on Wednesday, November 18th, at 8:15 P. M., with a discussion on "Youth Asia of the New Administration—Peace, Security, Freedom." This meeting, which is open to all, will be held at the Ford Hall, corner of Auburn Place and Bowdoin St., just in time for the reelect of the State House.

Among the speakers who will participate in the discussion are Lewis S. Gove, Jr., who last spring organized the Veterans of Future War, and West Ludlum Walker, who is the Advisory for the Boston Chamber of Commerce. The 8:15 doors must be restricted to the house between 8:10 p.m. The room is under control, and only in the organized meeting a discretion at the discretion of your own decisions. I spent a session in rooms calling attention to this regulation.

A new reply of a copy of the letter to Mr. Pung and also to Mr. Hartwell through the proper channels.

**Debating**

(Continued from Page 1)

This organization to hold a mock season of Congress at the annual convention to be held in Rhode Island instead of the usual debate tournament. Members of the Technology group did not appear to favor this proposal, although it did appear of participation in a debate contest. The usual convention will be held in April, and May by a few members of the Congress so that it will not interfere with final exams.

It was decided to have this新鲜的 proposal for the next meeting on the subject: "Resolved, that Congress should for the maximum hours and minimum wages for workers in industry."
