Gillis Scores Only Tech Goal. Squad Plays Yale, Sift. In Final Game

Definitely outplayed by the unbeaten Army booters, the Varsity or
cider squad lost its last home game of the season by a score of 1 to 3. James
Gillis, '38, made Tech's only point.

Tech took the initial effective when, after several minutes of keen play, Fred Clough of the West Pointers
mained on the defensive twice in rapid succession to score two goals.

In the third period Tech took the offensive, but all attacks were broken
up short of the goal, and the quarter ended with neither side scoring. In
the final period, Major made the Arkansas penalty shot.
