Now is the Time!
Because of weather conditions you can buy your own car insured and guaranteed until delivery. Deliver it at almost any point at less than market prices. By buying now you may have your car unassisted goal on a solo dash. In the second quarter, with only five B. U. men on the ice, Deroiser scored an unassisted goal on a solo dash. The Beavers carried the offensive to the net and after a furious scrum, Ed Walsh, Engineer net-tender, made almost forty saves and practically no cost. The Sophomore Dance netted $210.00, according to President Harold R. Seybort's report to the Institute Committee.
