As Two Squads Lose

Leaving yesterday to the University Club, 41, the junior varsity squash team followed the lead set by the varsity the day before when they lost to the same club, division II, by the same score.

The number one man of the varsity, Thomas E. Snell, swept his match No. 1, while Snell, No. 2 man of the J.V.'s, Albert E. Brown, '37, came out on top for the two tennis wins.

The freshman team played tonight against the Tech. Coach Jack Summerfield, '32, said that freshmen were an unknown quantity and that he wasn't prepared to make a statement at present.
