Lacrosse Squad Opens Season Here Tomorrow

Strong Beaver Team Will Face Boston Lacrosse Club On Coop Field

Game Is a Non-official One

Members of the Beaver Lacrosse team will get their first taste of the coming season this afternoon when they face the Boston Lacrosse Club in a non-official encounter.

With some weeks of practice under their belt, the Institute squad is in excellent shape, according to Coach Harvey Tuckir. He maintained that "in the best group I have had since I've been coaching lacrosse here I expect them to win a number of games this season."

The probable line-up for Saturday's game as announced by Tucker will consist of five seniors who have been out for the sport for three years and five sophomores, members of last year's strong winning squad. These who are expected to shine for the Engine are Captains Richard Gidley, '39 at attack, Richard Martin, '39 at midfield, John Sullivan, R. De Raismes, R. Martin, '39 at defense man during the past season, and the only man to captain for two years, expressed his hopes for an exceptionally successful season next winter. With only two regulars graduated, and nine letter men returning, it is very probable that Captain Muther's hopes will be realized.

The award of the faculty prize was presented to the winners in the annual freshman PT. competition. The nine men who followed him in the Poly last year scored 700 points out of a possible 700, and the best all around trackman of the class of '40, Wirth amassed a score of 458 points out of a possible 500, or an average of 453 points per event out of a possible 100.

The nine men who followed him in scoring are: C. E. Cornson, 433; J. Shill, 416; E. Lemanski, 410; S. W. Clark, 409; H. Langer, 387; P. Loomba, 385; D. Grossly, 372; Y. Kyhon, 369; O. Runbach, 342.

The points are awarded on the basis of the performances in the various events. If the contestant equals or surpasses the record in the event, he is given 100 points in that event. Points are graded downwards from the record marks proportionately.
