Invitations are Sent to Activity Leaders for Freshman Camp

Majority of Executive Staff Already Chosen For This Season

Invitations to activity leaders to be counsellors at Freshman Camp have been sent out by Eleanor E. DeCaires Jr., '39, director of the project. Camp will be held at Lake Mahar, thirteen miles from Fort Bragg, Sept. 24 to 27.

Last year's freshmums were at the camp and about 62 staff members. The ladies' society and others who participated will be notified as soon as the camp is in charge of the Army post at Fort Devens by Capt. William C. A. Bridges of the Military Intelligence Department. If more than 300 freshmums go to camp it will be necessary to set up more tents to feed them.

Most of the executive staff has already been selected. John W. Chambray, '39, will be in charge of the Aid post, the first time in his career. Boynton Everett of the Second Church will be in charge of the medical service and William J. Kitchen, executive assistant, will also have a major role. Christian Movement, is the discussion leader.

Two representatives of Latin will come from the history of the Institute. On Sunday, twenty-five members of the faculty will be introduced by Dean I. E. Riddle and President Compton will make the opening address. They will be followed by the camp in Eleanor P. DeCaires, '37, and the Sunday School, with Wallace, '38, and Wallace R. Ross, southern secretary of the T. G. A.

Artillery branch of the R. G. T., C., with Hill- cloning, Y., is in the Signal Corps. Gunackers are in the Engineer Corps, and are in Courses I and V respectively.

Maj. Johnston Moved to Summer C.M.T.C.

To Be Acting Chemical Warfare Head For Short Time

Major Thomas J. Johnston, of the 8th Regular, has been temporarily ordered to the staff of the H. Q. C. and will assume the duties of acting Chemical Warfare officer for the C. M. T. C.

Major Johnston, who by special request of President Compton was allowed to take a year's leave of absence as an instructor at an Institute of Technology, 80th C. M. T. C. will return to the 8th Regular at the end of the summer. The new head of the Chemical Warfare department who has been promoted and transferred to Wash-ington, will conduct the work of the department this summer but will be replaced by Major Johnston.

As his work will consist mostly of supervising the instruction at the school, it is probable, that after completing some duties he will return to the 8th Regular. The C. M. T. C. will be open to all officers.

Polytech Beaters Tech Golfers

Two or three more games, and the officers returned to their work.

W. H. M. Smith was on the losing end, and with a score of 2-2, the Tech men won the match, and leaving out William Smith won the fourth ball match.

Jan warming up for the conference was selected for the remaining half point for Tech. The Tech man, a member of our Men's College, was present in the room. The Tech man, a member of our Men's College, was present in the room.

Each minute he spent studying and became more and more interested. The Tech man, a member of our Men's College, was present in the room.

In an interview with the Tech man, after the match, he said:

"I want to thank you for giving me this opportunity to be a part of your team. I have enjoyed every moment of it so far."

"I hope we can continue playing together for many years to come."
