Technology Debaters
To Hold Early Rally

Attempting to equal the perform-
ance of its senior debating team which
last year won the Eastern Intercol-
legiate Debating League champi-
nship, the Institute Debating team
will plan to get off to a fast start with a
meeting scheduled to take place in
Walker Memorial.

This rally, at which plans for de-
bating activities for the new year will
be discussed, will open to all students
interested. Speakers will include
Theodore Smith, Professor in the De-
partment of English and History. Fol-
lowing the business session, refresh-
ments will be served.

Peter Belmays, '39, Debate Man-
ager for 1937-38, will address the
assembly of its senior debating team which
will have a more difficult job in catch-
ing him for his annual immersion.

Foster telegraphed THE TECH
this morning that "I am in
charge of freshmen, and the
school is in session.

Since the picture was taken, Foster
has put on weight and has had his
hair cut. The president has always
found it difficult to find and identify
the new president. Considerable
pride has been shown in the attempts
for the new president to earn his
right to be called "dean of the
freshman class.

Also, for the first time, the president of the sophomore
class, Raymond Foster, will not be a
campaigner. The freshmen
will have a more difficult job in catch-
ing him for his annual immersion.
