Manager Of Field Day Says
Interest Will Grow Quickly

Sophomore President Expresses
Disappointment In Class

Less than one tenth of the class of '40 appeared at the Sophomore Field day last Friday, Raymond C. Futter, President of the Sophomore class, when asked to comment upon the turnout said: "I am very disappointed. We have been going to let the freshmen down. This year, we have no such intentions, we will be doing our entire attitude immediately."

Frescoshendran Confident
As has been the case for the last three years, the spirit of the freshmen class has been everywhere. The reason for this, the poor showing of the Sophomore class, has set the stage for the Sophomore Field Day. This year has added another problem to the standards of integrity, breadth and character. As a result of these meetings it is evident that the senior class, other three classes all have a right to the activities of the Class of '41.

Ninety Percent
In a Field Day has given an added interest in sports. On October 26, the freshmen appeared confident as the Tech contingent won the first meeting against Dartmouth, Brown, and Harvard, held yesterday at the M. I. T. Railing Pavilion. This was the second of the annual regulars; the first was won by Harvard last year. A silver cup was won by Ted F. Hinton, captain of Tech's Sophomore team.

In luck robs boat number 33 yesterday. Before the race, it was caught by a sudden gust of wind, and was exploded. In the last boat, sherd broke and the force of the wind blew the boat. The ship, the ship's captain was A. H. Roosmanse, of Harvard.

The regatta consisted of four races each in the morning and afternoon. Between the second and third, a boating of sandwiches, deers, and dinner was served. A strong westerly wind, kept the crew rowing hard all day. The final scores were: M. I. T. 1,624; Brown, 83; Harvard, 61; and Dartmouth, 12.

The individual point scores were: Knapp-M.I. T. 8; Olson-Harvard 7; Colle-M. I. T. 6; Mason-Brown 5; Fitchett-Brown 4; Hever-Harvard 3; Ruthbah-Dartmouth 2. Mapp-Brown 1; Brown-Dartmouth 1; Hutton-Harvard 1; Schwartz-Brindley 1; Darmouth, 1.1

H. L. Russell Speaks
At Placement Lecture

Former Tech Graduate Surveys
Current Employment Problems

The second of a series of Placement will be given Friday, October 5, from 7:30 until 8:30. Mr. H. E. Russell, '23, of the Boston Mercury Newspapers, Inc., will lead the meeting. Mr. Russell is supervised the body on the "Methods of Placement." He will be speaking about the importance of a graduate's first position, what an employer expects in a graduate from an engineering school, the duties of a member of the placement bureau and what the duties of a member of the placement bureau. From 7:30 to midnight there will be music by the music of popular recordings. The Tech Inquines

Questions: Do you think your active interest in sports will be stimulated by the increased facilities of the new recreation project?
