6:00---Alpha Chi Sigma Dinner, Faculty Room, Walker.

7:00---Sponsors Group, Fabyan Room, Walker.

Frosh Gridteam Ties Sophs In Last Period

Freshmen Score In Last Quarter After Sophs Fumble

In what turned out to be the crucial event of the day, the freshmen surprised an overconvinced sophomore by holding the ball in a dead tie. The timer's gun brought to a close a powerful sophomore drive which, if continued, might have turned the tide in favor of the epicureans. As it is, an unlucky fumble on the part of the sopho in the last quarter gave the freshman possession of the ball. A few yards away from a touchdown, the Tech crew fumbled the ball over the goal line to gain the two points needed to win the game. The game in the 2nd and 3rd quarters was little more than a punting duel with the side against the wind losing ground. Child of many reasons which contributed to the ineptness of the game was the failure of the punting combinations on both sides to click. It has been decided to award class numerals to squads because of the fine showing they made.

Tech Open Forum

Tech Open Forum opens this year's program on November 15 with a discourse on the pressing subject, "American Foreign Policy in a World of Chaos," to be delivered by Clark M. Eichelberger, National Director of the League of Nations Association. The meeting which will be held in the Eastman Lecture Hall, will begin at 7:30 P.M.

Dramashop
