A dual meet was held last Saturday, December 19 at Amherst. To Crimson Squad

Victory went to Tech... Winners of first three places in the interclass track meet to be announced numerals and points toward a letter... Students, we serve Boston Fire and Police Stations. Presenting, last spring... Season's opening

The hangar gym is a beehive of activity, as the basketball teams, the wrestling team, and those interested in boxing and the track squad go through their workouts. Anyone who takes a look into the gym almost any night between five and six o'clock will see the activity. Last week there were forty freshmen trying to practice on one-half of the basketball court; yesterday fifty. The ranks of the cross-country team have been greatly strengthened toward the end of the month. To date, neither cross country nor soccer have been able to make a clean sweep in a big way. I.
