get through The Tech's line which continued to protect its lead. Friday in the last quarter, The Tech started to march, and a flat pass from Fohr, alert Voo Doo guard, waiting. His brilliantly dodged tacklers and ran 40 yards to score. The try for the point failed.

Outstanding for Voo Doo were: Vogel and Wingard at end who broke up many end runs; Gibson at center backng up the line, Arnold at guard and Hadley at tackle. Casselman and Jones amazed us in the backfield.

For The Tech, Kather was excellent catching passes. Deutsch and Walker fast changing guards unaccountably found their way into Voo Doo's backfield. Bartlett and Witherall put in a fine 60 minute performance for The Tech. Hess and Voo Doo backfield success on the line around Voo Doo's backfield. Starns, Blattenburger and Witherall were effective in pushing back Voo Doo with good running.

Plans are underway for a return game next Sunday at 12 o'clock. With both squads more experienced, the game may prove as even battle. Period 1 2 3 4

desire for Technology men. John C. Franck is chairman of this week, announced recently that the number of qualified applicants.

In a recent interview with The Tech, Mr. Alfred T. Gannett, 28, President of the Club, said: "All though the employment department has been a very valuable feature, especially during the depression years, the return of better times has revived longer and more prominent interest in the social activities of the Club. It is time to conduct a manner which will be of the greatest benefit to Technology men in which the Club will endeavor to increase and change in the future, in New York."
