FOR OPEN HOUSE

N

It must decide the best system of planning
sense and to some extent specifically. Second,
hibles are to be prepared, both in a general
must be planned so that there is as little in-
possessions. It is the neighboring nation that
could not be interfered with, but they are cer-
Tortion and Money

The problem of syphilis in the United
States has been growing more serious year
after year, largely because we have cho-

ministers. It is your neighbor who steals your
that it is your neighbor's daughter whom you
possessions. It is the neighboring nation that

Cheer for Melody.

STATE AND ARMOURY

The Awful Truth is being held over for
another week if you have not seen it. Irene
Burns and Cary Grant form a wonder-
tiful team, and Asta, the terrier, will kill your
sons.

\textbf{LETTERS TO THE EDITOR}

(Editors Note: The following letter was received before most of these already published, but was not reprinted because its subject was so good. Another letter, signed "H. R.", will be published if the writer will furnish the letter of his identity. His name will not be printed.)

Chuva Relief

Editor, The Tech:

Recently college activity in war relief in China has arisen to a notable and alarming degree. Before participating in such relief, one should consider the pertinent results accompanying such activities. An outstanding factor in such cooperation is the evident alliance to the country considered. Such an outright expression of feeling can be preyed upon by foreign diplomats who might play up the matter, is the evident alliance to the country considered. Such an outright expression of feeling can be preyed upon by foreign diplomats who might play up the matter, or both sides, even though disapproval is voiced.

UPTOWN — Mr. Paul Muni comes to the house of "proven" pic-
tures again, and never be forgotten. The co-feature is
