Win, Frosh Take Class Meet

Freshmen Victors in Annual Track Meet On Saturday

John Nagle Stays for Yearlings With Total Of 16 Points In Four Events

Meet Held On Wet Track

Filling up a score of 88 points to the sophomores' 68, the class of '41 claimed the championship of the meet Saturday despite the adverse weather conditions which made the first two meets of the season for freshmen, John Nagle, who amassed a total of 10 points.

The two mile run was won by Crosby, '41, in the fast time of 1:43 against Lenomski finishing second. Because of the condition of the track no new records were made. Totals for the separate classes were: Froshmen, 88 points; Sophomores, 68 points; Juniors, 37 points; Seniors, 36 points. The individual points totals are:

Irrational despite the adverse weather postponed interclass track meet held Saturday, the sophomore's 66, the class of '41 took first place and won the meet 88-68.

Sports Comment

Rain and snow Saturday didn't stop the freshmen from keeping up with the winning president they seemed to have had since the beginning of the year; they made their win over the sophos in the interclass track meet their 14th in a row. Frosh. John Nagle was the men's star on the track, totaling 16 points and setting new records in two events. Other men including Booth '41, Crosby '41, and Judah '41 showed promise in making this meittership with about the best interclass meet, considering the bad conditions; Oscar was very pleased with the winning frosh, wished that his frosh star.

Deep Sea Fishing

A tournament of 89 points was set for this Saturday (Continued from Page 1)

'to let him ship with the overman or lose.'

Neve Slocum, His Claim

"Not much," the old salt answered. "I've got two or three Pennsylvania salters now that I can't take care of."

Small was not dismayed by this discouragement. He talked for several hours, and it was not long that he never got sick, but he preferred the old way and landed the job.

Sailor Says Soar

Unfortunately, small had warmed up to the job because he had to hug his bulk for the first three days at sea. But after he had accommodated himself to the sea, he took his turn rolling fish, fooling out of his bunk into the boots and walking two feet to the table for a quick breakfast, perhaps steak, or perhaps sword fish, being his choice. Then he would go ashore to eat at washer.

A water boy on the fishing boat must look for swordfish which are caught while napping on the water. Small would listen to the roar of the waves in the morning, except for a few minutes for dinner at the noon hour. Evening on the ship was usually spent in spilling yarns about fishing and women.

The common attire of the men at all times was a casual suit of white shirt, old trousers, white underwear, and women. Many a long day's fishing would go aloft to act as watcher.

Small's food consisted of two meals a day and an allowance of 200 cates a day. This was later reduced to 100 cates. For books, women, whistling, and all the rest, he was allowed no money at all times included a woolen suit of underwear.

The experiences of the two other boys was no less exciting. Dick Levy for books, women, whistling, and all the rest, he was allowed no money.

Among the invited guests were Dick Levy, '41, who will arrange the ceremony. Anne stated she would be pleased.

The Tech Diner Held On Saturday

Saturday evening, the Tech Diner was held. Staff members of the Tech released from the duties of publishing a newspaper at the first of this year's ban was downtown restaurant.

The meal's next rival was the Tech, receiving its season's impetus with the advent of the All-Tech wrestling tournament on December 2, and their second defeat by a 2-0 score in their last match of the season.

Next Saturday a more confident Beaver team will take the field at New Haven against a strong Yale team which lost its first two games in the season. The Yale boys are in for plenty of trouble.

The Up-Date for Tufts is as follows:

Mitchell, G.; Rosenberg, RH; Lec Leaver, CH; Bill Gillis, CH; Lindsay, LL; Wm. Orl, WH; Shifman, G.; Baldwin, WH; Quadney, OL.
