Letters to the Editor

As a result of the recent debate on the subject of Japanese Boycott Sentiment, I have been prompted to write this letter. I believe that the current situation is unjustified and should not be tolerated.

The Chinese Relief Society, under the leadership of William E. Smith, Inc., has been working diligently to help those in need. The society has raised funds and provided food and shelter to those affected by the war.

Senior Dance (Continued from Page 1)

The Senior Dance was a great success, with all the students in attendance. The dance was held in the main hall of the institute and was attended by all the seniors.

Japanese Boycott Sentiment Asked In Next The Tech Poll

I have received a lot of correspondence about the Japanese Boycott Sentiment. I believe that this sentiment is unjustified and should not be tolerated.

Chinese Relief

The first shipment of 15 tons of clothing, which was announced, has arrived in Hongkong and is being distributed through the Chinese Women's Relief Society. Nine more tons have been collected and will be shipped to the war zones in the near future.
