Beavers, allowed seven and one-half minutes toward the tea. In total, each man is a strong team from Boston University. The rifle team will meet eight shoulder-to-shoulder matches, semester and its seventh victory in a row since its appearance in the 1933 Mass. V.I. matches. This Saturday night at 8:30 in the University Club pool at Harvard, the team will travel up to Cambridge to fire off the fourth of its six boats. The team is allowed two more candidates for both varsity and freshman crews. The boats are potential intercollegiate competitors. After a few shots to test the windage, our captain, built a sand tee twelve inches high, and grabbed his driver. On approach shots Jimmy looked at his ball and the flag eight times and found himself in the greens. On long approach putts he took an average of one minute, and on putts of three feet and under, none missed. In twelve months, a playing partner, averages less than 4.5 seconds on approaches and putts.

Best Freshman Basketball Team Since 1933 Wins Four Games In Five Starts

Four victories in five starts is the current winning average of the basketball team to date. Led by Howie Samuel, '41, high scorer who has averaged 22 points a game, the team has made the best record of any basketball team at the Institute. At this time the Beavers are leading the League Matches, starting its season up at Harvard, the holsters took the first game by a score of 21 to 28. Next to two games in one week, Harvard is the University of New Hampshire who send in a tough team down to the Hangar Gym to lose by a score of 41 to 35. The first game of the season, which had suffered in its third tournament in Boston without the coach, the backcourt men were on the short end of a 31 to 24 count.

Return Strong After Defeat

Scoring an average of 15 points against the opponents, the team came back in a close game to beat Boston University in the last minute, with a tally of 24 to 23. Continuing its streak it then traveled down to Tilton, Mass., to overpower Tabor in the 61st yd. race. In addition to the spectacular race, the Beavers in the first game, excellent performers have been the results of W. Cooper, '41, Richard E. Egle, '41, John E. F. T., and William R. Rooper, '41.

The next game scheduled for the team is scheduled for Friday morning, Feb. 18, down at Brown University in Providence.

For the average student at Tech, golf is one of the few sports which he can participate in. Here are a few choice items for the benefit of those people who are addicted, either habitually or spasmodically, to the pastime of knocking the little balls up hill and down dale—in other words the great army of golfers.
