- **Last night the American Institute of Mining Engineers held its annual check-in party in the basement of Building 10.**
- **Two committee entertained the students and guests, the Bishop Division of A. M. E. C.**
- **For instance, there is Barbey who in the Tufts track meets swept eleven feet, and eight inches. There is Brook who cleared four feet, ten and one-half inches of the broad jump pit. There is Lyndon who ran a five and four tenths second 440 yard dash.**
- **One of the many interesting sights was the fact that the wind was blowing Saturday, and it took only to force formation of three divisions, but to cause a brief postponement during the afternoon.**
- **The main objection to sailing Sunday was the vast tonnage of uninvited boats, were: Atwater, 37; Dark, 25; Winslow, 24; Mc-"
